#### **4. Challenges:**

Identify any challenges faced during the implementation of the project/program. Describe how these challenges were addressed or mitigated.

- 1.Low pace of the community assembling the local materials for construction
  - 2.Low turn up of community members for the unskilled labour
  - 3.Different stakeholders having different approaches in the same community with some of the stakeholders paying for unskilled labour
  - 3.Poor access to some of the project areas
  - 4.Low commitment from some of the government officers during project and post project implementation period
  - 5.Lack of goodwill from some of the officers (National and County Government's)
- 

#### **5. Associated Publications:**

List any publications, reports, or articles associated with the project/program. Include titles, authors, publication dates, and any relevant links or references.

---

**Additional Notes/Comments:**

[Insert any additional information or comments here.]
