

GOVERNMENT OF MAKUENI COUNTY
THE COUNTY TREASURY

MBOONI

WARD DEVELOPMENT PROFILE, 2025

**PROJECTS FOR THE FINANCIAL YEARS
2022/23, 2023/24 & 2024/25**

'Wani wa Kwika neza na Ufungaji'

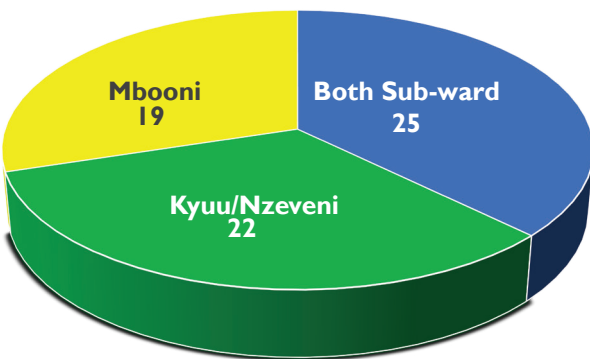

1.0 Introduction

The Ward Development Profile highlights key milestones achieved by the County Government of Makueni in FY 2022/23, FY 2023/24, and FY 2024/25. It documents government interventions aligned with citizens' development priorities, promoting transparency, accountability, and informed decision-making. The profile provides a detailed record of projects implemented in each ward, including budget allocations, locations, implementation status, and the resulting community impact.

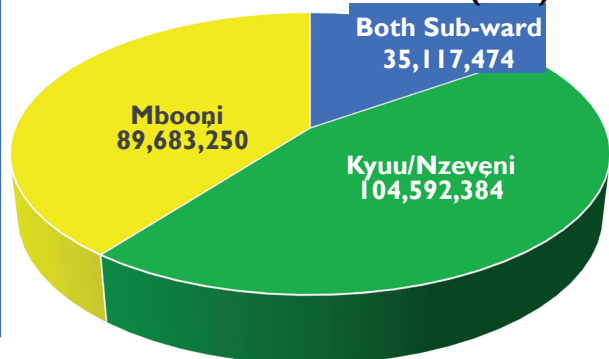

1.1 Background Information

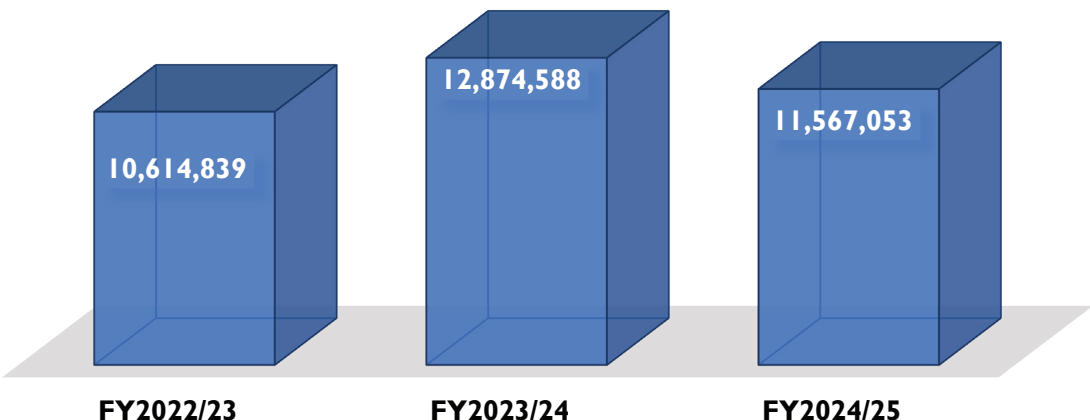

No of Projects for FY2022/23, FY2023/24 and FY2024/25

Budgets Allocation for FY2022/23, FY2023/24 and FY2024/25 (Ksh)

Own Source Revenue Collected in the Ward (Ksh)

2.0 Achievements

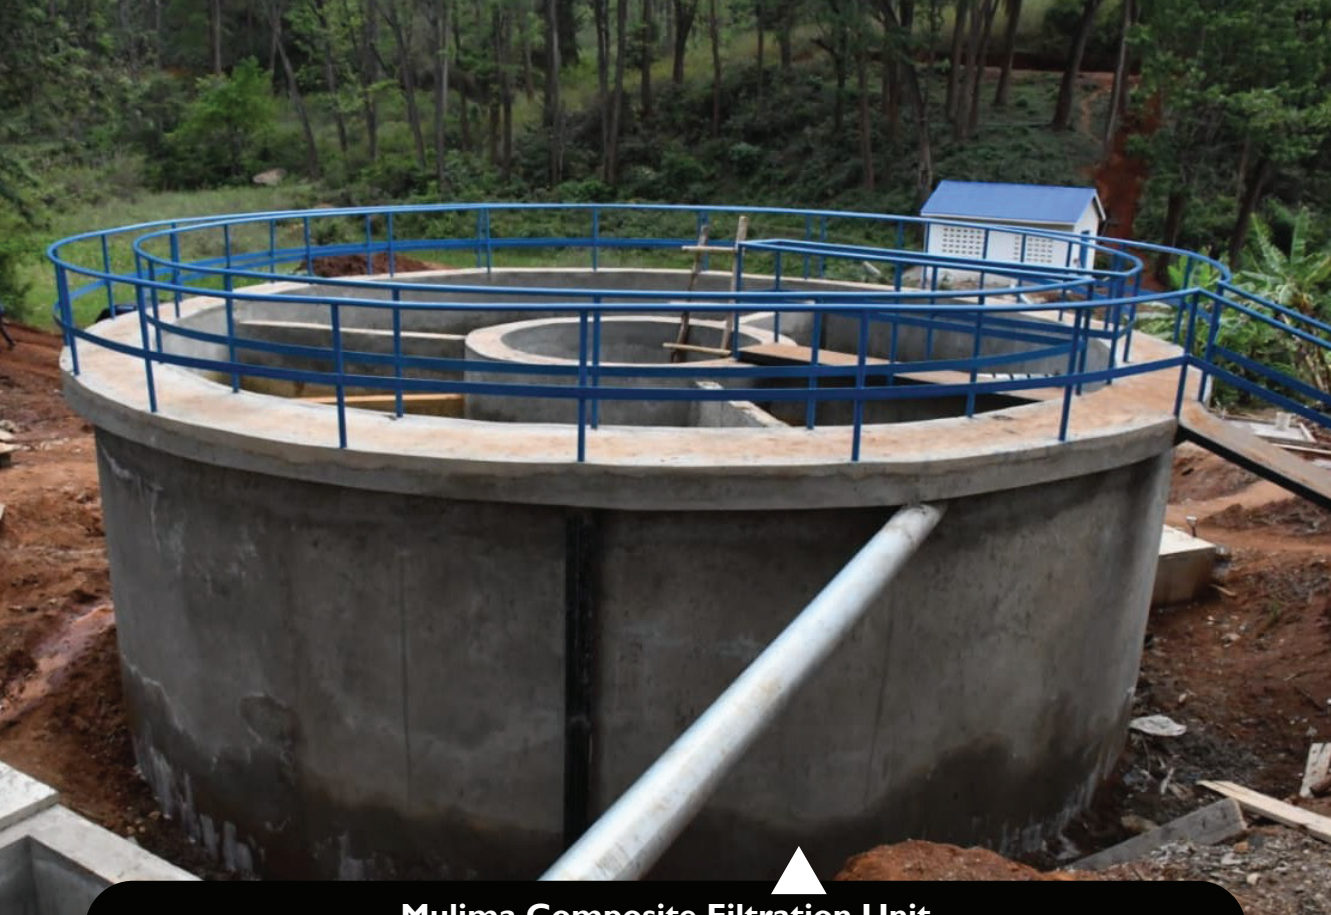

Water Access and Environmental Conservation

The County Government has enhanced access and reduced distance to water points through the following interventions:

- Construction of Mulima dam water treatment facility, rehabilitation of the raising main pipeline to the distribution tank and connection to the existing five kiosks.
- Rehabilitation of Yatwa-Itaa water tank and pipeline, ensuring continuous water supply to 400 households and 5 institutions.
- Distribution of Kyambui water project, benefitting approximately 350 households, Katilini dispensary, and Tuvulani market.
- Rehabilitation of Vulu masonry tank, ensuring reliable water supply and distribution, benefitting 3 institutions and approximately 150 households.
- Extended Kyuu irrigation scheme by constructing a distribution line from source to Kwa Kachema.

Mulima Dam

Mulima Composite Filtration Unit

Mulima Composite Treatment Unit

Road Access and Connectivity

To increase road access and connectivity, the county government:

- Opened 17.5km of road, graded 153.5km and graveled 15.3km, enhancing road network connectivity within the ward.
- Engaged 1,500 community members through Miradi Kwa Jamii program, creating income opportunities.
- Constructed Nzaini and Muisyo drifts, improving connectivity.
- Installed drainage structures including 104m culverts and 68 gabions which rendered the roads passable during the rainy season.
- Excavated 28,164m³ of cut-off mitre drains, transforming roads into climate infrastructure as well as improving agricultural production.
- Installed 4 high mast flood lights at Kivandini, Tuvilani, Nthungoni and Nzaini markets, enhancing security and extending trading hours.
- Installed 102 streetlights at Kyangoma shopping centre to Kwa Musau petrol station to Kivandini market to enhance security for traders.

Nzaini drift

Agricultural Production and Productivity

To boost food security, improve farmers' incomes, and encourage sustainable farming, the county government rolled out the following initiatives:

- Vaccinated 23,561 livestock, poultry and dogs against pests and diseases, benefiting 3,311 farmers and improving production.
- A total of 1.768 MT of certified maize and beans seed, distributed to 3,311 farmers leading to increased production.
- Promoted irrigation by extending Kyuu Irrigation Scheme pipeline, benefiting approximately 200 farmers.
- Provided financial support to Kikima farmers cooperatives with approximately 1,000 farmers through Cherry Fund to enhance coffee production.
- Facilitated peer to peer training for 32 coffee farmers to learn on best farming practices to enhance coffee production.
- Through KCEP CRAL programme, trained 65 groups, distributed farm inputs, including fertilizers and certified seed to 1,536 farmers, enhancing food security and resilience to climate change.
- Supported Mitangani and Kima Kyandu KCEP CRAL self-help-groups with a milling machine to support maize value chain and dehuller machine.
- Formed a ward-based SACCO that was awarded an inclusion grant of Kshs 1,000,000 to support its operations.
- Distributed pasture seed to 30 farmers in collaboration with FAO and Master Card Foundation.

Mulima Coffee value addition

Access to Education

To enhance access to quality education and training, the county government;

- Converted 32 ECDE teachers to permanent and pensionable terms, ensuring consistent access to education.
- Distributed teaching and learning materials to 54 ECDE centres, enhancing access to quality education.
- Supported 477 bright and needy students with bursaries and awarded full scholarships to 6 Form One entrants, enhancing retention in learning institutions.
- Upgraded two Vocational Training Centres through infrastructural development and equipping (Mukaatini VTC dormitory and equipped Ukala VTC).

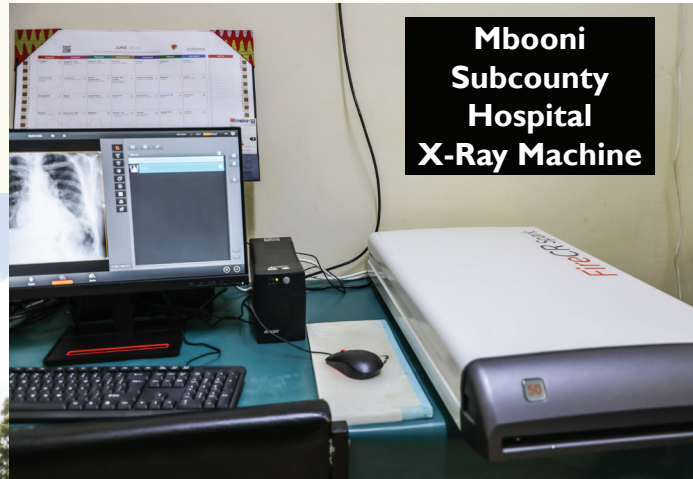

Ongoing construction of Mukaatini VTC dormitory

Health Services

In an effort to enhance and increase access to essential primary healthcare the county government implemented the following interventions;

- Distributed essential commodities and medical supplies to various health facilities.
- Supplied medical equipment to Mbooni sub county hospital.
- Engaged 123 community health promoters (CHPs) in provision of primary health care across the ward.

**Mbooni
Subcounty
Hospital
X-Ray Machine**

Ongoing construction of Mbooni Family Hospital

Social Protection and Youth Empowerment

To improve the well-being and livelihood of the vulnerable population, the county government:

- Supported 22 persons with disabilities with assistive mobility devices to promote self-reliance.
- Supplied water tanks to 8 organized groups to enhance water harvesting
- Supported 113 elderly persons with food and non-food items to enhance their well-being, along with medical insurance subscriptions, benefiting 4.5% of the ward's elderly population of 2,487.
- Provided dignity packs to 146 school-going children, supporting menstrual hygiene management for girls and promoting personal hygiene for all learners
- Supported 102 Orphaned and Vulnerable Children at Mbooni Children homes with foodstuffs.
- Distributed assorted food items and blankets to 125 vulnerable persons enhancing their well-being.
- Organized safe spaces forums benefitting 145 (84 boys, 61 girls) school going children to identify key protection concerns for targeted follow-up and intervention.
- Supported ward teams with sports items to participate in Ligi Mashinani ward leagues, promoting sports development at grassroots level.
- Developed Kyangoma playground availing space for sporting activities
- Supported boda boda SACCO with a tuktuk to enhance its income generation.

Distribution of assorted food items and blankets to 125 vulnerable persons

Security of Land Tenure

To enhance urban development, access to justice and safeguard inheritance rights, the county government:

- Surveyed 179 plots in Kikima, issued allotment letters and leasehold title processing initiated.
- Conducted Legal advisory clinics focusing on land and succession matters reaching 310 People. 100 households are expected to benefit from the program promoting access to justice and peaceful resolution of inheritance disputes.
- Established Mbooni-Kee Municipality to improve urban governance and service delivery.

Public Sanitation

To improve public sanitation and create employment opportunities, the county government;

- Engaged 27 cleaners in market cleaning and waste management across 7 markets, enhancing public sanitation as well as creating short-term employment opportunities.

Governance

To strengthen governance and participation at the ward level, the government;

- Established ward sand management committee, ensuring sustainable sand harvesting and conservation.
- Supported the organization and elections of development committees at the village, cluster, sub-ward, and ward levels, strengthening governance at grassroots level.
- Supported election of market committees responsible for the management of market activities
- Responded to and rescued the affected communities in three reported forest fire incidents through the Rapid Response Team.

3.0 List of Ward Development Projects

No	Project Name	Project Description	Subward	Budget	FY	Status	Remarks
